**MITIGATING POVERTY IN WESTERN RAJASTHAN (MPOWER)**

**Urmidwar Project Unit – SANCHORE**

The **Mitigating Poverty in Western Rajasthan (MPOWER)** is a poverty reduction initiative that will be supported Government of Rajasthan's efforts in mitigating poverty in the Western Rajasthan, the **MPOWER** builds on experiences and lessons learnt under ongoing programmes, and introduces some innovative features. The project is designed to reduce poverty through the development of community institutions and support to various livelihoods activities and setting up of services delivery systems initially.

## Objective

The overall goal of the Project is to improve the quality of life of the poor and create sustainable livelihood opportunities for vulnerable and marginalized groups in the project area.

### The specific objectives are :

- Drought mitigation and water securitization
- Income enhancement and employment generation
- Market led productivity improvements
- Favorable market access in terms of realizing better producer prices (farm gate prices) and backward –forward linkages
- Empowerment and mainstreaming of women, the marginalized and vulnerable groups and
- Leveraging substantial govt. funds through convergence and dovetailing.
